

## Scholarly Activities Committee Award Contract

Your proposal to the College of Science Scholarly Activities Committee for faculty mentored research or dissemination has been approved for funding. By accepting this award, you agree to abide by the proposed budget, the general SAC Guidelines, and the requirements listed in the SAC award notification email, *including the submission of a student written report on the project or conference.*

If awarded funds include travel for research or dissemination, please coordinate travel arrangements with your faculty mentor. If your faculty mentor is not traveling and is unable to assist, or you have questions, please contact Veronica Augustine:

Phone: 801-863-6441

email: [veronica.augustine@uvu.edu](mailto:veronica.augustine@uvu.edu)

office: SB 241

**Funds will become available upon return of this signed contract. All purchases must be made by May 26, 2024. Any funds not used by the deadline will be forfeited.**

**Report must be submitted by June 10, 2024, unless an extension is requested.**

**Please use the account number listed below on all purchases and other communication regarding this award.**

Recipient: **Masato Yanagida, Dr. Kim Nielsen**

Presentation Title: **A Modern Approach to Teaching Geoscience Courses**

Awarded Amount: **\$1277**

SAC Account Number: **SHT023**

Acknowledgement of Award and agreement to submit a project summary as explained in the award notification email:
